Financial Measures

... This press release includes GAAP financial measures as well as Non-GAAP financial measures including Adjusted Gross Profit, Adjusted Operating Expenses, Adjusted Other Income, Adjusted Interest Expense, Adjusted Income Tax Expense,

“seeks,” “approximates,” “plans,” “estimates,” “targets,” or the negative of these words or other comparable terminology. The discussion of anticipated transaction closings, financial outlook, guidance, trends, strategy, plans, assumptions, expectations, commitments, and intentions may also include forward-looking statements and not place undue reliance on forward-looking statements, such as financial forecasts, which are only as of the date they are made. Except to the extent required by law, we undertake no obligation to update or revise our forward-looking statements. Forward-looking statements involve risks and uncertainties that could cause actual results to differ materially from those anticipated, or implied. It is not possible to identify all such risks and uncertainties. We encourage investors to read the risks described in our publicly available filings with the Securities and Exchange Commission and news releases.

These risk factors include, but are not limited to: we experience costly and disruptive legal disputes and settlements, q0.00000912 0 612 792 g0 G(un)3(cer27ut)-7(l)o0 1 8>BET11(,)-hq0.000alese tper cont1 8ET11(,)-l(m)-3

issues, climate change, and sustainability, and stakeholder response thereto may have an adverse effect on our business, financial condition, and results of operations and damage our reputation.
